# MAKE A *Joyful Noise*

FEBRUARY 21-23, 2020

*Ladies' Retreat*  
AT CAMP BUTMAN

With great pleasure we welcome **Darla Baerg** as our keynote speaker for ***Make a Joyful Noise***. We will be discussing having joy in faith, hope, and love.

Darla Baerg is a master storyteller and communicator. She shares her real life experiences (many are hilarious!), scripture, and her love for the Lord into powerful messages for women. People are drawn to Darla's joyfulness, transparency, and ability to honestly share God's word. She is a regular speaker at women's retreats, luncheons, dinners, conferences, MOPS groups, camps, etc.

Darla incorporates the hope and joy of Christ into her rich message. You will leave feeling more inspired to fulfill

whatever assignment God has for you...be it wife, mother, friend or co-worker.

Darla holds a Communications degree from Baylor, and a Masters in Communication from the UNT, and a Masters in Human Resource Development from Vanderbilt. Darla was the Chief of Staff for a US Congressman and the Director of Training for a large Houston company. You can find several of her published articles in *Home Life* magazine. She has been married to her husband, Bill, for 29 years and they have four children.
