Help us design activities to meet your group's specific needs.

20 LOW AND INTERMEDIATE ELEMENTS.

The Challenge Course includes a series of challenge activities built of poles, ropes, cables, platforms, and boards.

Low elements are ideal for team building, encouraging creative thinking, developing leadership and followership, improving trust and communication with others.

High elements provide opportunity for taking risk, facing personal fears, trusting others, building self esteem and confidence.

*“Though one may be overpowered,
two can defend themselves.
A cord of three strands is not quickly
broken.” Ecclesiastes 4:12*
